Orders due by 5 p.m. on Wednesday, March 8 to Glacier County Extension

MSU Extension - Glacier County 2017 Montana Certified Seed Potato Orders

2017 Seed Potato Order Information

Orders are due no later than 5 p.m. on Wednesday, March 8, to Glacier County Extension Office. Order forms can be dropped off at the Extension Office in the Courthouse Annex (1210 E. Main, Cut Bank, MT 59427) or e-mailed to glacier@montana.edu. Checks can be paid to Glacier County Extension upon pickup.

Because we are doing a cooperative order between local gardeners to be able to order these 50 lb. boxes, we may need to contact you to pick a different variety if you are the only one choosing a certain variety. Please encourage your friends and neighbors to order to help us make full orders.

Variety info. and availability is online at www.mtseedpotato.org.

Potatoes will be delivered to Cut Bank in early April, you will be contacted approximately a week in advance of the delivery date.

25 lb. boxes available - There are 25 lb. boxes of the Russian Banana and Rose Finn Apple Fingerling varieties, all organic, at \$50/box, if anyone would like to purchase a 25 lb. box themselves.

Some of the most popular varieties ordered last year included:

Norland Dark Red
Russet Burbank
Cherry Red
French Fingerlings
Purple Fiesta

Norland Dark Red - Great for boiling, frying, and salads and for 'new' potatoes in mid-summer

Check out ALL the varieties at www.mtseedpotato.org

French Fingerlings - Popular, gourmet variety with rose-red skin

Huckleberry Gold - Purple skin and yellow flesh

Mozart - Attractive sunrise red skin with yellow flesh color, stores well and good resistance to common scab

All Blue - An heirloom speciality variety, excellent steamed, mashed, microwaved, roasted, and chipped
